DEATH WISHERS

Stan Hart's pacing of "Death Wishers" is masterful and frighteningly thought-provoking! It's tough to laugh so much when you're envisioning having your windpipe squeezed. Choke!

Jack Borgen
Baldwin, N.Y.

Having played the role of Chief of Detectives Frank Ochoa in "Death Wish," I was delighted with my appearance in the MAD version, "Death Wishers." Your satire was terrific, very funny and very true! Congratulations!

Vincent Gardenia
New York, N.Y.

Vincent Gardenia Enjoys His
Appearance in "Death Wishers"

Thank you so much for "Death Wishers," Stan Hart and Mort Drucker. I never ride the subways without carrying your Bronson cover issue to repel muggers. It's reassuring how safe MAD has made me feel!

J. S. Genn
New York, N.Y.

HIGHWAY SAFETY COMMENDATION

I'm sure many readers have told you how your magazine provides them with an oasis of humor and innocent sarcasm in an all-too-serious world. While I wish to extend thanks for the humorous aspects of MAD, I commend you for the clever and serious message about drinking drivers on the inside back cover of the March, 1975, issue. Those of us in the Traffic Safety field can use all the public influence possible, and I know your efforts are most effective.

Lance C. Clem
Public Information
Division of Highway Safety
Denver, Colo.

THE TOMMY-RED SEED

Dick De Bartolo and Angelo Torres are to be admired for their gentle treatment of Julie Andrews in "The Tamarind Seed"! Hopefully, it'll help her laugh it off, too!

Connie Ives
Hammond, Ind.

Dick De Bartolo should have had a hand in the original screenplay. It could have been a good comedy, instead of a farce, with his touch. The appropriate ending of "The Tommy-Red Seed" served to remind us that Julie Andrews gave us the very fine "Mary Poppins," "The Americanization Of Emily," and "The Sound Of Music" before this unfortunate venture.

Kathleen McCarter
Pasadena, Calif.

GOOD NEWS—BAD NEWS

"Good News" is going to the store to find the latest MAD has disappeared from the racks. "Bad News" is finding it covered up by Today's Health!

Leonard B. Gray
Niantic, Conn.

"Good News" is your mother throws out your new MAD. "Bad News" is your little brother rummages through garbage cans. "Good News" is your father throws out the coffee grounds-stained MAD again, just as the garbagemen make the pickup. "Bad News" is the garbagemen by-pass your house!

Mary Ann Stroud
Deer Park, N.Y.

A MAD LOOK AT THE MILITARY

Thought your "Mad Look At The Military" was really explosive!

Michael McAllister
Williston Park, N.Y.

Arnoldo Franchioni really shows the "Military" as overgrown children, playing with very dangerous toys and very precious lives!

Faith Bernstein
Yonkers, N.Y.

"They" want us to throw skillions of loot into Cambodia and we're taking a left to the family budget and a knockout blow to the stomach, here at home! Why were you so easy on the "Military"?

Felicia Harkness
Potomac, Md.

IT ALMOST RESTORES YOUR FAITH

"It almost Restores Your Faith When..." you buy a MAD magazine, doubting you'll find something intelligent in it, and you don't!

Ron Verderame
West Haven, Conn.

"It Almost Restores Your Faith When..." your mother starts reading MAD and stops throwing it out!

John Marshall
North Tarrytown, N.Y.

MARTIN'S YOUNG DOCTOR FREEN

Don Martin's "Young Doctor Freen" might be a throwback to his being launched from the Delivery Room!

Tom Pritchard

SECOND COLLECTION OF THIN BOOKS

Arnie Kogen's "A Second MAD Collection Of Extremely Thin Books" should have included "Really Creative Article Ideas For MAD by Arnie Kogen, Repeated Even Thinner"!

Michael Maddox
Chase, Md.

I enjoyed #174 until I came to your "Second MAD Collection Of Extremely Thin Books." The Osmond Brothers have contributed a lot more to music than your magazine contributed to humor!

Mary Kate Mulkeen
Oceanside, N.Y.

THE SILENCERS

You have repeatedly surpassed your previous efforts re your anti-smoking graphics, but the brilliant "The Silencers" back cover is really loaded!

Tom Henry
Bronx, N.Y.

Perhaps an even more appropriate title would be "The Smoking Gun"!

Lino Lipinsky, Jr.
Katonah, N.Y.

"The Silencers" convinced me to bite the bullet!

Fawn Carroll
Merced, Calif.

ADDITIONS TO THE DICTIONARY

How about some "Additions To The Dictionary" that are all based on MAD-men?

Richard Mattersdorff
Camp Springs, Md.

Editor's Note: Due to the above request, Frank Jacobs has gone to absolutely no effort to give us "Additions" derived from MAD people:

aragones (ä-rä-gä-nûs) n.: a marginal error.

jaffee (jäf-ē) adj.: folded in; squashed beyond recognition.

martin (mä-r-fîn) adj.: describing one with hinged feet.

martin interj.: vreep, skloritch, thwoom.

drucker (drük-ër) n.: a distorted image. (We looked for Charles Branson but could only find a drucker.)

kogen (kō-gūn) v.i.: to suffer from a gag reflex. (We read the satire and we kogened.) syn. siegel, hart, silverstone, de bartolo.

prohias (prā-hä-ús) v.t.: to double-cross. (I've been prohiased again by that white spy!) or (I've been prohiased again by that black spy!)

Re "Additions To The Dictionary," you omitted one:

jacobs (jā-cūbz) ad.: to induce vomiting. syn. repulsive, disgusting, sickening. (MAD articles can be very jacobs.)

CRASHING BORE DEPT.

A few years back, Hollywood took the best-selling book "Airport" by Arthur Hailey, and turned it into a mediocre movie that made *millions!* Recently, Hollywood turned out a *NEW* movie which carries the credit: "Inspired By The Novel 'Airport' by Arthur Hailey." Unfortunately, the *only* resemblance it has to the novel is that it's *ANOTHER* mediocre movie that will make *millions!* So here's our version of:

AIR

ARTIST: MORT DRUCKER

PLOT '75

WRITER: DICK DE BARTOLO

Stewardess, I don't like to complain, but isn't it against the rules for a passenger to bring a dog aboard an aircraft?

Yes, but it doesn't apply in this case! See, it was the **DOG** who brought the **LADY** aboard the aircraft!

You look nervous! Well, **DON'T** be! I've flown dozens of times, and I've only been in **seven** serious aircrashes! One time, a bomb—

Please, I . . .

Oh, you want to get up . . . ? Here, let me help you undo your seatbelt!

But I—

It's no trouble! See? It opens easily!

But my seatbelt **WAS** unfastened! You just unbuckled my **PANTS**!

Look, Sister Cooth! They're bringing that young girl with the guitar into the **FIRST CLASS** SECTION!

Gee, there **IS** a big difference! They get **LIVE Entertainment**! We just get a movie!

What's the forecast?

High winds . . . poor visibility . . . and thunderstorms!! But they say it's going to change!

Hey, that's great!

It's going to get **WORSE**! Listen, is it **THAT** important for you to get back home tonight?

I'm afraid so! The man I have to see only comes by my house once a year!

Gee, I don't think Santa Claus will mind if you're late!

SMALL AIRPORT

I'm Sister Cooth, a sickeningly sweet Singing Nun!

I'm Janeccch, a sickeningly sweet teenage girl with a big problem!

I know! I saw your last movie! So if you feel airsick on this flight, do me a favor and barf the other way! I can't stand green . . . you know!

What a lovely guitar! May I play it and sing you a song?

Oh, we're all gonna die
And go to hell one day . . .
Yes, the Devil's gonna come
And take you away . . .

Why, Sister Cooth! You certainly use your singing talent and your religious beliefs to cheer up people, don't you?

Yes . . . and I also use them to sneak into First Class with an "Economy" Ticket!

Columbia 904—this is the Los Angeles Control Tower! We're afraid you just can't land here!

All fogged in?!

Oh, no! It's perfectly clear here! There's 100% visibility! But you know those Jumbo Jets only REALLY perform under adverse conditions! So why don't you head out toward ... say ... Salt Lake City ... and hope it's crappy there!!

Gee, I hope you two guys can still score tonight, since we had to change our flight plan!

That's no problem, Captain! We'll make out! I can guarantee it!

Hey, Jigolo! How come—no matter where we go—you still manage to have girls meet us at the Airport! Do you know broads in EVERY Airport Town in America???

No, I only know TWO girls! But they travel in the Cargo Hold of every plane I'm on!

Hello, Boise Airport! What's the weather like there?

Very bad! You'll have to go on to Salt Lake City Airport!

How will I find Salt Lake City Airport?

You can't miss it!! You'll know you're there as soon as you run into a big 747 Jumbo Jet!

This is the Captain speaking! I have good news and bad news! Bad news is: We're not going to Los Angeles as planned ... we're going to Salt Lake City! Good news is: We anticipated this, and we managed to put your luggage on a different flight! So your luggage will be going to Los Angeles!!

Salt Lake Control—this is Columbia 904 ... making its final approach!

Okay, Columbia 904! Hey, Captain, can I ask a question? If we're all in a Universal Picture, how come you're a Columbia airliner?

It's our sneaky way of putting the blame for this bomb on somebody else!

Salt Lake Control Tower ... I'm not feeling very well! May I have permission to land?

Sorry, but a Columbia Jumbo Jet has to land first!

Then may I have permission to have a heart attack and lose control of the plane?

Permission granted!

Boy, you sure do everything by the Rule Book, don't you?

Uggh! I'm dying! I'm dying!

Which isn't hard to do in this movie! And now ... with the entire sky at my disposal ... watch what happens ... !!

Okay, Crew! Prepare for a landing! Somebody get out the Instruction Manual!

Good Lord! Look, Captain! A small plane ... coming right at us! We're closing at a speed of 450 miles an hour! What should we do???

Quick! Blow the horn! Step on the brakes!!

Ladies and Gentlemen . . . I am happy to report that we have **LANDED—** on top of a plane!!

While we're finding out what kind of trouble we're in, we suggest you read the card in the seat pocket in front of you, which is all about how to die in an airplane crash!

Oh, my God! What happened???

[—I'm not sure! I was out sick the day they taught us about this sort of thing in Flight School!

Salt Lake Tower, this is Naggy—Stewardess on Columbia 904 . . . I'm—I'm flying the plane!!

Oh, c'mon now! Women's Lib or NO Women's Lib, Naggy . . . this is absolutely ridiculous!

The Crew is dead . . . the Captain is hurt real bad . . . I don't understand any of these instruments . . . I'm scared stiff . . . and I don't even know what I'm doing!

You sound like a seasoned Pilot, Naggy! Now, do you have your Auto-Pilot on?

No . . . just my uniform!

Describe the damage, Naggy . . .

It's real BAD!

Well, now that we have something to go on, we can help you! So . . . do me a favor! Don't leave the plane till I get back to you!

Hello, Mudrock . . . Flight 904 is in terrible trouble

There is no such thing as a 747 Jumbo Jet being in terrible trouble!

Your sweetheart, Naggy, is flying it all by herself!

Flight 904 is in terrible trouble! Let's get out there!

Er—Stewardess Naggy has asked me to say something to reassure all you passengers! The Captain is gravely injured, the rest of the Crew is dead, an inexperienced girl is flying the plane, and I'm not talking to you on the intercom because that went dead when we had our mid-air crash and most of the controls were ripped out . . .

BUT . . . the bathrooms are all working!!

Naggy, we're on our way to bring you help! I just wanted to tell you you're doing a fantastic job!

But I haven't **DONE** anything, yet!

That's why you're doing a fantastic job, Sweetheart! Now, listen to me, Honey! I'm going to give you some instructions, and you have to do exactly what I say!

Oh, that's groovier! But . . . shouldn't I get **UNDRESSED** first?

No, Dear, this is different! Now, I want you to bring the nose of the plane up a little higher . . .

Ease back on the wheel ever so slightly!

Okay! I'm doing it!

Now, you see the little airplane on the big dial there? What is it doing?

It's flying upside-down!

Er, you eased just a little **TOO FAR** back on the wheel, Dear!

The only thing we can do is put someone aboard that plane!

But we already **HAVE** 150 people aboard that plane ... and the poor Stewardesses can't even keep up with **THEM**!

I'm talking about a Pilot!

Putting a Pilot aboard a moving 747 Jumbo Jet is preposterous!

So what?! This entire **MOVIE** is preposterous!

Hey! Then it has to **WORK**!!

The Captain is in pain! I've given him something to put him to sleep!

Some Morphine??

No, a copy of the script!

Give me my **Bomb-Proof Jewel Box!** In case we crash, I want to use it to preserve all of the exciting memoirs of my fantastic life!

You need the whole case for **TWO 3 x 5 INDEX CARDS?!**

Look, there's another plane out there! He—he's going to help us, Isn't he, Stewardess?

No, I'm afraid it's just one of those planes that tow advertising banners! See what that one says—**"GO AMTRAK ... THE SAFE WAY TO TRAVEL!"**

What about that other real **BIG** plane ... below it?

Oh, that's just the **ORCHESTRA PLANE!** It plays ominous, loud music whenever we fly very close to the mountains!

You mean to tell me you want us to give you our best Pilot, and you're going to give him a free ride in a 747 Jumbo Jet?!!

That's right! But we've got to hurry! Because the plane he's going to get his free ride on has **LEFT** already ... so he's going to have to **JOIN IT IN FLIGHT!**

I'm **Purehell**—from **Station KRAP-TV!** Can you tell us if you found the Pilot of the small plane that hit the 747?

Yes, we did!

Where is he?

Outside Salt Lake City ...

... and Reno!

... Denver!

... and Las Vegas ...

... Phoenix!

... Santa Fe!

Look, Naggy! A Helicopter!! And they're lowering a man! Whew! What a load off my mind! This means even though the Crew is dead, I might still have a date tonight!

He's almost there! He's almost ... Oh, NO!! The line just broke!

Oh, well! When we offered him this free ride, we **DID** say there were no strings attached!

Get me into
that rig ...
and lower
ME down!
I'm going
to do it!

What makes you think
YOU can do it, when
Colonel Loss couldn't?
He won a medal for
Flight Excellence!!

But I won
an OSCAR
for
"Ben Hur"!
Lower
away ...

Hi,
there,
Naggy.
Baby!
It's
ME!!

Sure! And it's just LIKE
you to drop in from out of
the blue without even the
courtesy of a phone call!
You're lucky I was IN!!

My God!
Where are
all the
Control
Panels?!

Where do you think?!!
When I saw that I was
having COMPANY, I had
to straighten up a bit,
didn't I? So ... I just
THREW THEM OUT!!

Oh,
Damn!

Engine
Three
is
acting
badly!

What's
wrong,
Mudrock?

So?!? Why should
Engine Three be
any DIFFERENT
from anyone else
in this movie?!?

Tell the
passengers
I'm stopping
the engine,
but don't
alarm them!

Folks, Captain Mudrock is now flying
our 747! Everything is peachy-keen!
However, Engine Three is running just
a teensy-weensy bit hot and if it ever
ignites the gas from that sneaky leak,
we'll all be blown into itty-bittles!

SHE'S even BETTER at calming
us down than that OTHER girl!!

I've LANDED this thing ...
but I can't get it to STOP!
That's the trouble with big
jets! You can't drag your
FOOT on the runway the way
we used to stop the 707's!

Wow! No instruments,
no brakes, one engine
out, and Mudrock makes
the BEST LANDING of
his career as a Pilot!

Come on ... let's
go ... down the
Emergency Chutes!
Quickly ... Let's
get a MOVE on!!

Tell me, Miss ... if
we've landed safely,
and there's no fire,
how come we're all
running like idiots??

To escape the
CRITICS! Run!!
Hurry! Get away
... before they
recognize you!!

Quick, Mudrock!
The left wing
just broke off a
DC-10 and
we want you to
weld on a new
one—in flight!

What's the
matter?
You got
a thing
against
making a
third \$25
million?!

That's
right!

How
does
"Airplot
'76"
sound
to
you?!

That's REALLY
preposterous!

You mean?

A SELECTION OF "INVITATION-GETTING" LETTERS

Dear Sue and Andy,

It's hard to believe that five years have passed since you two got married and moved away. I'll be going South this Fall and, as I promised myself, would like to take the opportunity to personally hand you your Wedding Present which finally came from the manufacturer.

Dear Uncle Harold,

Somehow, I have never forgotten that straight-from-the-shoulder talk we had in my Freshman year when you convinced me to change my Major from Modern Dance to Forestry. Well, once again I am in dire need of a strong, clear, no-nonsense talking to... and since I will be passing through your area next month I thought...

Dear Mr. Wambaugh,

Having followed your law suit against Breakwind Airlines with great interest in the newspapers, I thought you might like to know that I worked as a freight handler for them. During that time, I came into possession of some revealing papers concerning the sloppy way they handle live Cobras. And since I am quite willing to appear as a witness for you in your upcoming trial, I thought you might want to have me visit you in order to plan our attack and prepare

Dear Mr. Tremaine,

Before she died, my Aunt Lola entrusted me with a packet of letters that you wrote to her while you were an art student at the school where she modeled. These letters are so full of youthful exuberance and passionate longings that I am sure you would enjoy re-reading them. Since I will be passing your estate on my forthcoming trip, I decided

Dear Mr. Trevor-Clydesdale III,

In my research concerning early ship-ping along the Eastern Seaboard, I have come into possession of a map indicating that Pirate Treasure is buried on your waterfront property at Sea Island, Ga. It would take me only about two weeks to uncover the references and decipher the symbols on this ancient map, and I could stay at your elegant home during that period, where we could also discuss a fair split if and when the treasure is found and we are able to make a proper

Dear Cousin Mildred,

I was sorry to hear that you are having such expensive problems with your septic tank. As it happens, I have just graduated from a six month Correspondence Course in Leaching Fields, and I would be happy to make a slight detour in my forthcoming trip West to visit you and give you the benefit of my knowledge of the problems involved.

Dear Mr. Finklestein,

I could not help but notice that we share the same surname, and so I have taken the liberty to write. Recently, I undertook an intensive search into our ancestry and discovered that our name dates back to the sixth century.

As I will be passing through your town next month, I thought that you might be fascinated to see my study and have me explain it to you. Did you know that we had two Transylvanian Counts and one French Marquis in our heritage?

Please let me know what date will be convenient for us to meet and discuss the

Boy, am I glad I came to visit this College! You can forget about all the others! I LOVE this place! The campus... the buildings... the dorms... the atmosphere! It's what I always dreamed ■ College would be like!

Let's rush over to the Administration Building and submit my application!

YOU'LL BE SORRY!!

DUATION

ARTIST & WRITER:
DAVE BERG

My parents have given me ■ choice: Get a JOB, or go on to COLLEGE! It's really a momentous decision! I'll have to weigh the attributes of both pursuits and decide!

It's a matter of which will enlarge my capabilities for coping with our technological society... and which will further my understanding of the conflicting factors affecting our competitive life styles!

Sounds like a very difficult problem! How do you intend to solve it?

On a purely rational and intellectual level!

Where will I meet more fellas?!

First, I was a Freshman . . .

The top dog Juniors and Seniors looked down on me like I was a LOSER!

But now I'M a Senior!
A WINNER!! A TOP DOG
ABOUT TO GRADUATE!!

Next semester, I'm gonna
be a Freshman again . . .

Aren't you going
to your High
School Prom?

So far, it
looks like
I'm not!

Why not?!? And
why are you
sitting there,
staring at the
telephone?

It's hard to
explain! Things
have changed
since you were
■ graduate!

How much could things have
changed? A boy ■ still a
boy . . . and a girl is still
a girl . . . and you still
haven't told me WHY you're
not going to the Prom!

Because, so far, no
girl has asked me!

The Mathematics
Prize goes to
Richard Lippin

What?
Another
one?!

Richard seems to be
copping most of the
Scholastic Awards!

Is it
any
wonder?!

While the rest of us are
out having a good time . . .
boozing it up and smoking
pot and sniffing coke . . .
Richard Lippin stays home
and studies and studies!

Boy, is he dumb!!

Let me see your Junior High School Graduation Album!

It's no big deal!

What are you talking about! The first one I turned to is darling! "First comes love . . . Then comes marriage . . . Then comes Deena With a baby carriage!" Signed . . . "Charles Rudik"

That Charles Rudik is a very clever and original young man!

He sure is!

And when you look through the album, you'll see six MORE of exactly the SAME clever and original poems!

What a cruddy-looking bunch of creeps! They shouldn't even let such slobs into the Graduation Exercises!

Now, **THERE'S** a fine-looking group of young people! There's the **REAL** hope of the world!

These caps and gowns are rented! They have to be returned!

Yeah, but we can keep the **TASSEL** as a souvenir of a very important day in our lives!

I'm gonna hang mine on the rear view mirror of my car!

I'm putting mine in a hand-carved jewel case where I keep my mementos!

Where are you putting yours, Arpie?

Considering the immense value of a Post-Graduate Degree in today's job market, I'm placing mine with great care into a strong metal container!

Boy... I sure am glad THAT'S over with! High School was a DRAG!!

Really? Le'me take inventory on that! I was on a real ego trip when I had the lead in the school play! I had a blast with the Photography Club! Winning that Basketball Scholarship was a nice surprise! And making out with the Captain of the Cheering Squad was absolutely sensational!!

Yep! All in all, I'd say High School definitely was NOT A DRAG!!

Did it ever occur to you that YOU were the drag?!!

Congratulations, my Darling! You did it! You've graduated!

Hold it, just like that! I want to get a shot of this!

Oh, Daddy... you always embarrass me by making such a PRODUCTION! If you must take a picture, will you do it quickly?!

I'd LOVE to! But all the OTHER "Production-Makers" are in my way!

FANTASTIC!! After twelve long years of required education, I'm FREE! I've GRADUATED!! I never have to go back to school again!

What a great feeling! I can GO anywhere... DO anything...

So what ARE you going to do?

Nothing! Just hang around!

And where are you going to hang around?

The schoolyard!!

Unless MAD is the only magazine you read, this ad probably looks familiar to you. It should. It appears in virtually every periodical in the known world. At times the horse changes to a fawn, and at times scholarship prizes are promised to those with "outstanding ability." But the ad hasn't undergone any basic changes in a generation.

We have no idea how many students have enrolled in Art Courses as a result of this "Free Evaluation" offer. But it seems safe to assume that no school would keep running the same type of ad for years unless it produced the desired results.

And that raises a logical question. If the "Free Talent Evaluation" deal works for an Art School, why couldn't it be utilized just as successfully to bring students into other kinds of Home Study Programs? And for example, just imagine how irresistible the lure would be to sign up for a ten week course if you were offered the following...

NOTRE DAME DEFEATS SOUTHERN CALIFORNIA IN FOOTBALL GAME

Notre Dame defeated Southern California, 33-14, in a football game today before 90,000 fans in Los Angeles. At least this is assumed to be what happened since Article XVI, Section 9 of the Football Rules states that the team which scores the most points prior to the end of the game shall be deemed the winner. And the Notre Dame team scored the most points today. It scored 33, and Southern Cal only scored 14.

I am clinging to the hope that my humming may be good enough to qualify me for professional training by the maestros at your Academy. To assist you in judging my musical ability, I have taken your talent test in the privacy of my own home, and I think that the results came out as follows

- ☐ I sounded pretty good to me, especially when I did it in a tile-walled bathroom.

- ☐ I was too embarrassed to take the test here alone, but I'm sure I'll do fine once I get on stage in front of a big audience.

There's an old joke that goes: "Football is a strange sport! Where else can 22 guys pat each other on the back in public . . . and not get arrested?" Well, in a recent, popular movie, they've BEEN arrested! In fact, the whole picture takes place in a Maximum Security Prison. Why Hollywood suddenly decided to make a "son-Sports" film, we never know! But we suspect that it's just one more gimmick for showing off a certain sexy actor's chest hairs! Anyway, here is MAD's version of

THE LONGEST YARDBIRD

Hey . . . where are you going, Crude?

I'm going to slip into something a little more comfortable! Your CAR!!

You can't run out on me! I've supported you ever since you were a Pro Football Star eight years ago! You haven't worked a day since!

True—but I'm scoring more now than I did then!

You ungrateful pig! If you're leaving, give me back the money and clothes you took from me!

You crazy broad! WHAT CLOTHES?!

My PANTY HOSE!!

Ooops! I didn't realize I was wearing yours!

Y'know, ever since that Joe Namath TV Commercial, these things have caught on with Football Players!

ARTIST: ANGELO TORRES

WRITER: ARNIE KOGEN

Okay! So I TOOK the girl's car! And I DROVE 120 miles an hour through the city streets! And I CAUSED 7 pile-ups and crashes along the way! And I DUMPED the car in the river! So what? That was all FUN AND GAMES! There's nothing wrong with a little FUN AND GAMES, is there, Officers?

Not at all, fellah! So let's play ANOTHER game! Here—pick a card! Now, what's it say . . . ?

It says, "Go to Jail! Go directly to Jail! Do not pass Go! Do not collect \$200!" Y-you mean . . . ?

Right! You are under arrest!

Welcome to Grapefruit State Prison, Mr. Crude! I'm Captain Clobber! I'm working you over because I don't like what you've been doing lately! It's made me mean and ornery!

You mean stealing an auto and assaulting an officer?

No, I mean appearing on the "Tonight Show," and bragging about your sex life!!

One more thing, Super Star! Warden Hazard is a Football Freak! He's gonna ask you to coach our Semi-Pro Team! What's your answer gonna be?

Gosh! Coaching Football? I think I'll say "Yes!"

Come to think of it, I never cared much for Football! **CHESS** has suddenly become my favorite sport!!

Mr. Crude, I am **NOT** a very likeable guy! Even margarine won't talk to me! But let me also add that I am an ardent Sports Fan! Would you like a ticket to the **BIG FIGHT**?

Sure! When **IS** the big fight?

NOW!!! Unless you promise to coach my Football Team!!

Sorry! But I'll have to turn you down!

I want a National Championship, Mr. Crude! I—I **NEED** your support!

You're being very difficult!

Look... all I want is to do my time, make a few quips, and get out of here.

Okay! Maybe you'll change your mind after you've tried our program of rehabilitation!

Er—mine?

No... our **SWAMP'S**!!

You can't **HAVE** my support, Warden!! I'm wearing it!!!

Hi, there! I guess we're—er—partners here in the swamp!

Better a swamp than a river! I remember how your "partners" ended up in "Deliverance"!

Hey, you! Super Star! There's no talking here in the swamp!

Yeah, Golden Boy! And you better try to "slosh" a little more quietly, too!

Gee, the Guards really have it in for me!

And the **PRISONERS** aren't too thrilled with you, either! You're a—a **DISGRACE**!

I **AM**!!? How come?

WE'RE only rapists and murderers! **YOU** once shaved points off a Football Game! That—that's—well, it's **UN-AMERICAN**!

Okay, let's drag them stumps, Super Star!

This ain't no Country Club, Lover! Move yer tail!

I can't take much more of this!

The hard labor getting to you?

No... the terrible performances! Those—those Guards are unbelievable!

What can you expect from ex-NFL stars who were hired as actors?!

But they're God-awful!

We know... but who's gonna **TELL** em? You??

This is
"Maniac"
Morris!

He hacked his Mother
into several pieces
with a meat cleaver!

What's
he in
for...?

Okay, sign him
up! He's our
Right End...!

This is
"Tarzan"
Finster!

He shot three women,
stabbed two men and
strangled a tractor!

What's
HE in
for...?

Okay, he looks
good! He's our
Right Tackle...!

This is Harry "Monster"
Shtarka! He's the most
violent one of 'em all!
He's been in Solitary
for the past six years!
They just let him out!

Right
Guard!!

Is that
his
position?

No, tell him to
SPRAY some under
his arms! Six
years in Solitary
can make a fellow
pretty tacky!!

Okay, Carefaker! In this drill, I
want you to check the agility of
each man! Hey, what's Tarz doing?

He's having a duel
of wits with that
tackling dummy!

Yeah...
and he's
losing!!!

They've got the
strength and the
agility! I'm wor-
ried about their
intelligence! By
the time they
learn the plays,
their sentences
will be over!

What a crazy,
warped bunch!
You heard of
the "Fearsome
Foursome"?
This is the
"Deranged
Dozen"!

Dozen? There's
only ELEVEN
men on a Team!

I'm including
myself! If I
were "normal,"
would I be
in Prison?!

C'mon, you
guys! You've
been holding
out, and we
need you to
win! So how
about joining
our Team?

If we
do join
what do
we get?

Anything
you want!
Name it!

Jim
Brown... to
replace
you
in the
leading
role!

Okay! Now, we've stolen the X-rays and the
medical reports and we know our opponent's
areas of weakness and vulnerability, and we
are going to PUNISH them in those areas by
using brass knuckles and bandages dipped in
plaster! Our two main plays are "Incidental
Punishment After The Play Is Blown Dead"
and "Kicking A Man In A Delicate Spot"...

Why
are
you
doing
all
this,
Crude?

I want to
give you men
some PRIDE
and some
DIGNITY...
even if it's
only for a
few hours!

Hi! I
came
here
for
the
game
films!

Later! Right
now, hurry
up and get
undressed!
We only have
15 minutes!

Before
the Warden
comes?

No, before
my hair
explodes!

Gee! Making love
inside a Prison!
Isn't this just
a bit unusual!

Between a man and
a WOMAN it is!!

Man, if that Crude is our Quarterback, we are in big trouble!

How come . . . ?

He just threw the wreath into Carefaker's grave, and MISSED!!

Oh-oh!! Maybe he's shaving points at the funeral!

Okay, you men, I want a good, rugged game! I expect both the Guards AND you Prisoners to play your hardest! And, if the Guards win . . . they will get congratulations and glory!

And what if us Cons win! What will WE get . . . ?

An extra five to ten years!

Okay, guys! Here it is—Carefaker's final gift to you all—STOLEN UNIFORMS!!

Great!! Er . . . how do we know whose is whose?

Simple! The numbers each match your I.Q.'s!

And now . . . Ladies and Gentlemen, here comes "The Obscene Machine". . .

WIN, OBSCENE MACHINE! WIN!

YAAAYYYY!

HOORAY!

Will you listen to those cheers?!

Yeah! It's really hard to believe that a bunch of murderers, thieves and rapists are the "sentimental favorites"!

Remember years ago when G-Men, Cops and other Law Enforcers were the "Good Guys"!!?

How do you like that?! The game hasn't even started yet, and we're penalized twenty yards!

Really? How come . . . ?

During the Coin Toss, one of our players STOLE the coin!!

Okay, they're in a 3-2 Zone with the strong Safety deep and the Linebacker split left! It's a possible "blitz", but more likely a "red-dog"! To offset this very sophisticated defense, we'll use "Play Number Two!" Ready . . . GO!!

Here comes Bianco in with a play from the bench!

Okay, Bianco! What's the message...?

The break is at Midnight! Pass it...

Cut that dialogue out, Man! This isn't a CLICHE PRISON MOVIE!

It's MORE than that!

Yeah! It's a CLICHE FOOTBALL MOVIE!!

Mr. Crude... the halftime score is embarrassingly close! Just what do you think you're doing out 'ere?

Playing my heart out for the crowd! Do you realize there are more spectators jammed into those grandstands today than all the people who saw "The Man Who Loved Cat Dancing"!

Mr. Crude, you will now proceed to **LOSE** this game... by 21 points!! I don't like being made a fool of! I had **EIGHT YEARS** of that playing opposite Eva Gabor in "Green Acres"!

I can't do that, Warden! The men trust me! They're irrepressible rejects from society—loveable misfits who are counting on me to lead them to Victory... to give them one small moment of dignity and pride and—

You'll dump this game, Crude... or you're looking at 20 years of hard labor!

Come to think of it, what do I need with a bunch of cuthroats, goons and sadists! But if I **DO** shave points, Warden, you gotta protect my men from **VIOLENCE**!

From the Guards?

No, themselves—when they want to kill me!

I think Crude sold us out!

Well, he's thrown seven straight interceptions, he's fumbled six times... and he's calling our plays from the huddle!

It's **THEIR** huddle he's calling them from!!

How can you tell?

What's wrong with that?

Looks like Crude is **THROWING THE GAME**!

So?! What are they gonna do to him... put him in Prison?! He **IS** in Prison!!

Our guys are gettin' **KILLED** out there, Crude! What kind of deal did you make?!

Why, he **double-crossed** me! When I get through with him, he's gonna be the most humiliated Warden in the country!

You gonna go out there and lead the Team in a spectacular comeback?!

Worse! I'm gonna use my **Show Biz** connections to make sure Johnny Cash never does a concert in this Prison!

Okay, now I'm ready to lead a spectacular comeback! I'll play until I **redeem** myself!!

There ain't enough time for that!

Yeah! Some of us are only **"LIFERS"**!

Anyway, we don't stand a chance with Bigdunce as their Middle Linebacker! He's really creaming us!

Okay! Before we start our touchdown drive let's amuse ourselves while the clock is ticking away precious seconds! Let Bigdunce come through! We'll form a "V" Formation!

Don't you mean a "T" Formation?!

No, I mean a "V" Formation . . . for "VASECTOMY"!

Hey, look! Bigdunce is GROGGY! He's been HIT!!

WHERE was he hit? Let me put it this way! He started the game as a vicious Linebacker . . . he's leaving the field as a Pom-Pom Girl!

What a career! Ten years ago, he was "All-Pro"! Now, he's "All-Eunuch"!!

I've called you to the sidelines because Pat O'Brien isn't doing these movies any more! So I'm gonna make the speech that he would have made!

Fellow Teammates . . . Jocks . . . Sex Maniacs . . . and other lovers of Sports! We're four points behind, we're on the one yard line, and there are three seconds left! We've come too far to go back! So let's win this one for Carefaker, Scarbooboo and Groanville! I know you don't trust me because I once threw a game years ago—and I almost threw one today! But I'm begging! Let's win THIS ONE!

He can't break the habit! With that SPEECH, he just threw the PICTURE!!

You made it! You made it, Crude!!

Quick! Le'me up! I want to see the game films of this in the Warden's Secretary's Office . . .

Well, Warden! We lost! There goes your Power Theory! And LOOK . . . they're mobbing Crude! He's a HERO!!

He's a NOTHING, Clobber! And he's going to have 20 years in solitary to relish this empty victory!

Well . . . at least he'll always be remembered as a really fabulous FOOTBALL PLAYER . . . !!

You're wrong, Clobber! I'm afraid . . . no matter WHAT that man does for the rest of his life . . . he'll always be remembered for only ONE THING! He can never erase his PAST! Look . . . it's come back to haunt him again!!

REMAINDERS TO BE SEEN DEPT.

What is the best way to sell an unsaleable item? Make it look like a bargain! Most people can't refuse a bargain, and will gladly fork up the 40% necessary to take advantage of the 60% off sale price, despite the fact that the item isn't worth 10% to begin with! Book publishers, well aware of this phenomenon, have flooded the mails and media with ads, brochures, and book club offers designed to empty their turkey-filled warehouses with ads like this...

Many of these books are selling for as much as 40% or more off wholesale prices, 60% or more off retail prices and 100% or more off author's royalties.

2345. THE FRENCH HORN AS A PERCUSSION INSTRUMENT. By Ira-Schmidt Von Coward. In this musical thesis, Dr. Von Coward proposes that the French horn should be struck rather than blown in order to produce its best sound. 342 pp. Illustrations 64 pages.

3427. FROM ARTHUR TO WASHINGTON, Or, The Presidents Alphabetized. By Dr. Asa Inglefinger. Here for the first time is a handy reference booklet of United States Presidents listed according to the alphabet. (Previously, they've been listed chronologically, necessitating page-fumbling and lost time for readers.) Dr. Inglefinger, who teaches American History and Enemy Aircraft Recognition at Stanback University, defends his filing Martin Van Buren under "B" instead of "V" in a remarkably strident preface. 98 pp.

3786. OYSTER SKETCHES OF OTTO TANTREP. Edited by Carlo Maria Hamburger. Otto Tantrep (1884-1972) was one of the world's most eccentric artists in that he drew nothing but oysters during his entire career. He worked in a variety of interesting media, however, in addition to standard water colors and oils—e.g., soap-on-insulation board, chalk-on-liver, and icepick-on-styrofoam. All of these media have been brilliantly reproduced on lovely two-color pages. 12 illustrations, 64 pp. with an introduction by Pinkerton Hanoi.

3459. A HISTORY OF MASKING TAPE. By Hunrith Slough. Historical explanation of a hitherto-unmentioned topic. In this book, Mr. Slough dramatically describes what World War II might have been like without masking tape. 398 pp. Index. Plain jacket.

3455. SINGLE-FLAG SEMAPHORE. By Lt. Commander Upton Defft. "Semaphore code is a very useful means of communication," Commander Defft points out in his preface, "but what would happen if you lost one flag, or even worse, an arm?" To fill this void, Defft has devised an emergency system of single-flag semaphore code. His written description of the positions, in the absence of illustrations, is adequate. 329 pp.

3428. FROM ADAMS TO WOODROW, or The Presidents Alphabetized. By Dr. Asa Inglefinger. Second edition of his earlier book, with several minor errors corrected. 102 pp.

3334. COWCATCHER FATALITIES ON THE NEW MARKET-EAST WESTOVER-FAWNS-BREATH RAILROAD, 1843-44. By Clifford Greft. Never before published report on a series of railroad mishaps which baffled government officials for hours. 1002 pp.

4543. THE ANTHILL PHOTOGRAPHS OF PARDO LOMOTIL. Edited by Dudd Casper. Without doubt, PardoLomotil, before his untimely death in 1963 from underexposure, was already firmly established as the world's finest anthill photographer. This book does nothing to refute that fact, in one way or the other. 98 pp. No illustrations.

2345. INCA TEMPLE ADMISSION PRICES. By Targe O'Malley. In this volume, Professor O'Malley offers the suggestion that the Inca Indians operated their religious services on a commercial basis, with a graduated scale of prices for the natives. 638 pp. 76 fold-out illustrations.

3980. DAYLIGHT SAVINGS TIME AND ITS EFFECT ON MOORISH TRADITION. By Largo Albert Factotum. A provocative study from which Mr. Factotum, an associate professor of Laundry Science at USC, draws some startling conclusions. 329 pp.

3334. WAIST SIZES OF BYZANTINE EMPERORS. By Hugo Uruguay and Olga Myhan. Through an ingenious and painstaking examination of ancient writings, old paintings, engravings, and contemporary supermarket gossip, Mr. Uruguay and Ms. Myhan have succeeded in nailing down the waist sizes of more than ten centuries of Byzantine rulers. "How much difference does this make to the average American?" asks Uruguay in his preface, then follows with an incisive response: "It makes a lot of difference, that's how much!" 120 full-page illustrations, 96 pp.

5654. A CENTURY OF ARM RESTS. By Carlo Glugetti. A fascinating historical examination of arm rests, from the earliest models in Wells Fargo stagecoaches to prototypes developed and used by General Motors. 36 illustrations, 574 pp.

3349. THE LAYMAN'S HANDBOOK OF ESKIMO PIANO MUSIC. By Wolfson Cantalupo. Never-before-published sonatas of Eskimo composers, whose distinctive musical style results from their wearing mittens even while writing music. 87 pp.

4528. THE SPANISH MAIN, by Horatio Chapi. Not an old sea story, as the title suggests, but the nearly-as-exciting biography of a Spanish sewer maintenance employee. 412 pp. with underground maps of Madrid and Barcelona.

3429. FROM ADAMS TO WILSON, Or, The Presidents Alphabetized. By Dr. Asa Inglefinger. Third and final edition of his earlier books. 104 pp.

2235. ROC ON THE TELEGRAPH LINE. By Ezra Pagloomer. We all know what a common sparrow looks like perched on a telegraph line, but have you ever wondered what some extinct birds would look like if they were still around today? Mr. Pagloomer, in response, has taken 113 extinct birds and painted them perched on lines extending from modern utility poles. Includes such interesting species as the roc, albatross, passenger pigeon, robin, dodo, and lavender skink. 212 pp. 116 illustrations.
